V. A list of applications received shall be prepared in each District Excise office in which the name of each candidate shall be entered. Against the names of those found ineligible, the word "Rejected" shall be written by the District Officer. Such applicants shall be debarred from presenting themselves for interview, and should be informed accordingly, without delay.

VI. All candidates considered eligible shall be called on to appear at their own expense before the District Officer, on a date to be fixed by him, and to produce original certificates of age, educational qualifications and character at that time:

IX. The Bengal Public Service Commission shall perform the functions of the Selection Committee under these rules, the Excise Commissioner sitting with them for the purpose.

X. (*1*) The Selection Committee, after interviewing the candidates, will select those deemed suitable for Government appointment and will draw up a list of the selected candidates in order of merit.

(*2*) The Excise Commissioner shall make his final selection on the basis of this list, having regard to any rules or instructions issued by the Provincial Government regulating the percentage of recruitment of Muhammadans or any other class of candidates, and to the result of the medical test prescribed in sub-rule (*3*).

(*3*) Every selected candidate who is not already in the Government service shall, before final appointment, be required to attend before a Medical Board or an officer in medical charge of a civil station and submit to a medical test similar to that prescribed for candidates for a provincial service.

XIII. Notwithstanding anything contained in rules II to VIII and rule X, the Excise Commissioner, in consultation with the Selection Committee, may promote petty officers of Excise who have shown exceptional ability and who possess adequate knowledge of English, Law and Accounts, to the rank of Sub-Inspectors. Not more than 15 per cent. of the vacancies in any one year shall be filled up in this manner.

XIV. In every year each Superintendent or Inspector of Excise in charge will submit to the District Officer (and in case of Calcutta, the Collector of Excise, Calcutta), the name of *not more than* three petty officers serving under him whom he recommends for promotion to the rank of Sub-Inspector. Petty officers recommended for promotion must have served with credit for three full years in the department and they must have a good general education and a sufficient knowledge of English.

The District Officers shall interview the officers thus recommended for promotion and shall examine their service books before submission of their recommendations. The Deputy Commissioners of Excise in charge of the Excise Intelligence Bureau, and the Central Detective Department will, in a similar manner, submit their recommendations in respect of the petty officers of Excise employed under them.

FINANCE DEPARTMENT.

NOTIFICATION.

New Delhi, the 28th March 1940.

No. F. 26 (1)-R II/39.—The following Rules made by the Secretary of State for India are published for general information:—

THE SUPERIOR SERVICES (INDIA) FAMILY PENSIONS (UNTRANSFERRED) RULES, 1939. DATED DECEMBER 30, 1939.

I, Lawrence John Lumley, Marquess of Zetland, one of His Majesty's Principal Secretaries of State, in virtue of the powers conferred by Section 273 of the Government of India Act, 1935, hereby make, with the concurrence of my Advisers, the following Rules, namely:—

Section I—General

1. These Rules may be called the Superior Services (India) Family Pensions (Untransferred) Rules, 1939

2. The sums contributed or paid as hereinafter prescribed shall be credited to the Revenues of the Central Government and said Government shall pay out of those Revenues all pensions, benefits and other outgoings as provided in these Rules

Section II Rules relating to Contributions and Benefits (Compulsory Contributions).

3. The Rules in this Section apply to every person who being on 31st March, 1937, a subscriber or a beneficiary under Section II of the Superior Services (India) Family Pension Fund Rules, then in force, made objection, under the provisions of Section 19 of the Government of India (Family Pension Funds) Order, 1936, to the vesting in Commissioners of his or her interest in the Fund

4. Every subscriber to whom this Section of the Rules applies (hereinafter referred to as a compulsory subscriber) shall make the monthly contributions* prescribed in the First Schedule, and the Secretary of State may order that such contributions shall be deducted from his pay or pension at the time of issue†. If at any time a subscriber is not in receipt of pay he shall not thereby be relieved of the obligation to pay the contributions due from him,‡ but the Secretary of State may at his discretion permit recovery of subscription due over a prolonged period of leave on medical certificate or of extraordinary leave without pay to be postponed until the expiration of such leave.

5. Except as provided in Rules 6, 7 and 8, contributions under Rule 4 shall cease on the expiration of 25 years from the date from which they first became payable, or, should the subscriber retire on invalid pension before the expiration of such period, on the date of retirement. Any subscription remaining unrecovered under the terms of Rule 4 shall, however, be recoverable from such invalid pension.

6. A compulsory subscriber who is dismissed from the service shall thereupon cease to be a subscriber, and his family shall cease to be entitled to any benefits under these Rules, and the subscriber shall not be entitled to any refund of contributions.

7.—(1) A compulsory subscriber who resigns or is removed from the service or who retires without being entitled to a pension shall thereupon cease to be a subscriber and his dependants shall cease to be entitled to any benefits under these Rules, but the subscriber may be granted a lump sum, the amount of which shall be fixed in each case by the Secretary of State, whose decision shall be final; and it shall be open to the Secretary of State before deciding upon the amount, if any, of such lump sum, to require medical evidence, in the form prescribed in the Fifth Schedule, of the health of all or any of the dependants of the subscriber.

(2) A compulsory subscriber who retires from the service on a compensation pension may elect, within three months of the date of retirement, to discontinue subscription under these Rules with effect from the date of his letter signifying such election; his dependants shall thereupon cease to be entitled to any benefits under these Rules, but the subscriber may be granted a lump sum on the terms and conditions set forth in the preceding sub-rule.

8.—(1) A compulsory subscriber who retires with a pension under the India Premature Retirement Rules or the Burma Premature Retirement Rules may adopt, at his option, one of the following methods of retaining for his wife and children benefits under these Rules, namely:—

(*a*) He may cease to make any contributions under the Rules, and shall then retain only the right to a proportion of the contingent benefits under the Rules for his wife and children existing on the date of retirement, and for any children subsequently born to that wife. This proportion shall be equal to the completed number of years during which he has subscribed divided by 25.

(*b*) He may continue until the expiration of 25 years from the date on which he became a subscriber to make contributions under the rules at the rates which would have been payable by him from time to time had he remained in the service. In that case he shall retain the full benefits admissible under the Rules as if he had remained in the service:

(2) In the event of an officer failing to notify within three months of the date of his retirement the method selected by him, he shall be deemed to have selected the first of the methods specified in the foregoing sub-rule.

---

*These contributions are fixed in sterling and when recovered or paid in India or Burma are convertible into rupees at the current rate of exchange.

†Subscriptions may be substituted for payments to the General Provident Fund subject to the provisions of Rule 17 of the Rules of that Fund.

‡If a subscriber is not in receipt of pay from a Government in India or the Government of Burma, he should arrange to pay the contributions due from him, either by cash or by cheque, to the Accountant-General, India Office, to the Accountant-General, Central Revenues, New Delhi, or to the Accountant-General, Burma.

9.—(1) Every compulsory subscriber shall report his marriage, in the form prescribed in the Second Schedule, within one month of the date thereof.

(2) Every compulsory subscriber shall report in the form prescribed in the Third Schedule, within one month of its occurrence, the birth of every child born alive in wedlock.

(3) The Secretary of State may at his discretion declare a widow or child whose marriage or birth was not reported in accordance with these Rules ineligible for benefit.

(4) Every subscriber shall report within one month of its occurrence the death of any dependant eligible for benefit under these Rules.*

10.—(1) Subject to the provisions of Rules 6, 7, 8 and 9 (3) the widow of a deceased compulsory subscriber and all children born to him in wedlock shall be entitled to the benefits specified in the Fourth Schedule.

(2) A beneficiary to whom these rules apply shall be entitled to the benefits specified in the Fourth Schedule.

11.—(1) The pension† of a widow under these Rules shall continue in full during widowhood. It shall cease on her remarriage, but if she again become a widow she shall be entitled to revert to full pension as widow of her first husband, and, should her last husband have been a subscriber, to draw in addition pension as his widow.

(2) The pension† of a male orphan shall be payable until he attains the age of 21 :

Provided that in any case where it is shown that a male orphan on attaining the age of 21 years is by reason of mental or physical infirmity incapable of earning a livelihood, the Secretary of State may at his discretion permit such male orphan to confinue to draw beyond that age a pension of amount not exceeding that of which he is then in receipt under this Section of these Rules.

Provided further that, if a male orphan shall be over the age of 21 on the date of his father's death, and if it shall be shown that by reason of mental or physical infirmity he was not at the age of 21 and has not at any subsequent period been capable of earning a livelihood, the Secretary of State may at his discretion grant to him a pension of amount not exceeding that laid down in the Fourth Schedule of these Rules for sons over 12 years of age.

(3) The pension† of a female orphan shall be payable until the date of her marriage and shall not revive upon widowhood.

12.—(1) A posthumous child of a compulsory subscriber by marriage duly reported in accordance with Rule 9 (1) shall be entitled to pension*.

(2) No child shall be entitled to benefit under this Rule whose birth is not reported within 12 months of the occurrence.

13. On the termination of the marriage of a compulsory subscriber by divorce or annulment, the wife of the marriage so terminated shall be entitled to no benefit under these Rules. The subscriber shall report the dissolution of the marriage within one month of the date thereof.

14. A compulsory subscriber may, at his option at any time during his service, make further provision for his family as a voluntary subscriber under Section III of these Rules.

---

*The reports required by these Rules should be made :—

(1) To the Accountant-General, Central Revenues, New Delhi, when the subscriber is drawing pay in India or in a Colony to which he has gone direct from India.

(2) To the Accountant-General, Burma, when the subscriber is drawing pay in Burma or in a Colony to which he has gone direct from Burma.

(3) To the Controller of Pension Funds, India Office, Whitehall, London, S.W.1, when the subscriber is drawing pay in England or in a Colony to which he has gone direct from England.

†Application for admission to pension should be made to the Controller of Pension Funds, India Office, Whitehall, London, S.W.1, or, if the applicant is in India or Burma, to the Accountant-General, Central Revenues, New Delhi, or to the Accountant-General, Burma, as the case may be.

(*b*) in the case of pensions paid for by monthly contributions, from the date of the letter notifying the acceptance of the application to subscribe, from which date contributions shall be payable.†

Notification of acceptance shall be given in England by the Controller of Pension Funds, India Office, in India by the Accountant-General, Central Revenues, and in Burma by the Accountant-General.

Single premiums shall ordinarily be calculated according to the ages of the parties at the date of payment, but they may, at the option of the subscriber, be calculated according to the ages at the date of application and shall then be regarded, for the purposes of Rule 23 as due on that date.

Monthly contributions shall ordinarily be payable from the date of acceptance at the rate appropriate to the ages of the parties on that date; but they may, at the option of the subscriber, be recovered with effect from the date of application at the rate appropriate to the ages on that date.

*Rates of monthly subscription will be supplied on application to the Controller of Pension Funds, India Office.

†These contributions are fixed in sterling and when recovered or paid in India or Burma are convertible into rupees at the current rate of exchange. Subscriptions may be substituted for payments to the General Provident Fund, subject to the provisions of Rule 17 of the Rules of that Fund.

19. Contributions paid under this Section of the Rules confer a claim to benefit only on the particular dependant on whose behalf they are paid. The right to pension of a wife, subject to the provisions of Rules 20 and 21 shall not be affected by reason of the termination of her marriage by divorce or annulment.

20. A subscriber whose contributions under this Section are in arrear for a period greater than three months shall thereby forfeit all his past payments, and his dependants shall lose all claim to benefits, under this Section:

Provided that the Secretary of State may permit resumption of contributions on such terms as he shall in each case decide:

Provided further that the Secretary of State may at his discretion permit recovery of subscription due over a prolonged period of leave on medical certificate, or of extraordinary leave without pay, to be postponed until the expiration of such leave.

21.—(1) A subscriber may at any time discontinue or reduce any monthly contributions payable by him under the Rules of this Section, in which case the dependants for whom the contributions so discontinued or reduced were paid shall be entitled, after his death, to modified pensions,* the amount of which shall be decided in each case by the Secretary of State, whose decision shall be final.

(2) A subscriber may at any time, on giving not less than one month's notice in writing, reduce or cancel the provision made for his wife or children under the Rules of this Section and may thereupon be granted a refund equivalent to the net liability of which the Fund is so relieved: but the Secretary of State may require medical evidence of the health of each dependant in respect of whom a refund† is payable in the form prescribed in the Fifth Schedule

The amount of the refund shall be fixed in each case by the Secretary of State and his decision shall be final.

22. A subscriber may at any time commute any level monthly contributions payable by him under the Rules of this Section ‡

Section IV—Rules relating to Contributions and Benefits (General).

23. Interest at the rate of 4 per cent. shall be charged on contributions remaining unpaid for more than one month from the date on which they become due

24. Any payment due at a subscriber's death shall be deducted, without any addition for interest beyond the date of death, from the pensions due to his dependants in four quarterly instalments, or, if the sum due is more than half the annual amount of the pensions, in such number of quarterly instalments as the Secretary of State may direct

25.—(1) The Secretary of State may at his discretion permit a portion of the pension of a male orphan who has reached the age of 16 years to be commuted with a view to the proceeds being applied to the pensioner's advancement in life.

(2) The pension of a minor orphan shall be paid to his or her mother or other duly appointed or recognised guardian

*A dependant, the contribution on whose behalf has been wholly discontinued, will not necessarily remain entitled under this Rule to any pension. For instance, no pension will normally be payable in these circumstances in the case of children whose pensions would have ceased at age 21 or of daughters approaching marriageable age.

†No refund will be payable in the case of (*a*) children whose pensions would cease at age 21, except where the contracts have been effected by payment of single premiums, and (*b*) daughters approaching marriageable age.

‡The commuted value of any subscription will be supplied on application being made to the Controller of Pension Funds, India Office.

26. Declarations shall be furnished quarterly as to the continued widowhood, spinsterhood or survival of pensioners as the case may be.*

27. A pension payable under these Rules shall enure for the benefit of the pensioner only and no transfer, assignment or other alienation thereof shall be recognised.

28.—(1) Pensions and gratuities under these Rules shall be payable in London in sterling.† Pensioners residing in India or Burma may, however, at their option, receive payment‡ there in rupees at such rate of exchange as the Secretary of State may prescribe.

(2) A pensioner residing in India or Burma who has elected to receive payment there shall not subsequently be permitted to change the place of payment except at the commencement of an official year.

29. Reference in these Rules to the Secretary of State shall be construed as references to the Secretary of State acting with the concurrence of his advisers in accordance with the provisions of Section 261 of the Government of India Act, 1935.

30. The Superior Services (India) Family Pension Fund (Untransferred Section) Provisional Rules previously in force are hereby repealed.

In the case of orders already placed or pending, arrangements will be made for compliance with them having due regard to their relative importance. But no further orders or demands will hereafter be accepted in the United Kingdom unless supported by a Quota Recommendation Certificate issued by the Department of Supply in India.

4. Detailed instructions regarding applications for the grant of Quota Recommendation Certificates, and the procedure to be followed by firms who have orders placed in, and/or demands pending on the United Kingdom, will be obtainable from the Department of Supply on or after the 1st of April, 1940.

PART V

Acts of the Indian Legislature assented to by the Governor-General and Ordinances promulgated by the Governor-General.

GOVERNMENT OF INDIA.

Legislative Department.

The following Act of the Indian Legislature received the assent of the Governor General on the 11th March, 1940, and is hereby promulgated for general information :—

ACT No. X OF 1940.

An Act to consolidate and amend the law relating to Arbitration.

WHEREAS it is expedient to consolidate and amend the law relating to arbitration in British India;

It is hereby enacted as follows :—

CHAPTER I.

INTRODUCTORY.

Short title, extent and commencement.

1. (*1*) This Act may be called the Arbitration Act, 1940.

(*2*) It extends to the whole of British India.

(*3*) It shall come into force on the 1st day of July, 1940.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context,—

(*a*) "arbitration agreement" means a written agreement to submit present or future differences to arbitration, whether an arbitrator is named therein or not;

(*b*) "award" means an arbitration award;

(*c*) "Court" means a Civil Court having jurisdiction to decide the questions forming the subject-matter of the reference if the same had been the subject-matter of a suit, but does not, except for the purpose of arbitration proceedings under section 21, include a Small Cause Court;

(*d*) "legal representative" means a person who in law represents the estate of a deceased person, and includes any person who intermeddles with the estate of the deceased, and, where a party acts in a representative character, the person on whom the estate devolves on the death of the party so acting;

(*e*) "reference" means a reference to arbitration.

CHAPTER II.

ARBITRATION WITHOUT INTERVENTION OF A COURT.

Provisions implied in arbitration agreement.

3. An arbitration agreement, unless a different intention is expressed therein, shall be deemed to include the provisions set out in the First Schedule in so far as they are applicable to the reference.

Agreement that arbitrators be appointed by third party.

4. The parties to an arbitration agreement may agree that any reference thereunder shall be to an arbitrator or arbitrators to be appointed by a person designated in the agreement either by name or as the holder for the time being of any office or appointment.

Authority of appointed arbitrator or umpire irrevocable except by leave of Court.

5. The authority of an appointed arbitrator or umpire shall not be revocable except with the leave of the Court, unless a contrary intention is expressed in the arbitration agreement.

Arbitration agreement not to be discharged by death of party thereto.

6. (*1*) An arbitration agreement shall not be discharged by the death of any party thereto, either as respects the deceased or any other party, but shall in such event be enforceable by or against the legal representative of the deceased.

(*2*) The authority of an arbitrator shall not be revoked by the death of any party by whom he was appointed.

(*3*) Nothing in this section shall affect the operation of any law by virtue of which any right of action is extinguished by the death of a person.

Provisions in case of insolvency.

7. (*1*) Where it is provided by a term in a contract to which an insolvent is a party that any differences arising thereout or in connection therewith shall be referred to arbitration, the said term shall, if the receiver adopts the contract, be enforceable by or against him so far as it relates to any such differences.

(*2*) Where a person who has been adjudged an insolvent had, before the commencement of the insolvency proceedings, become a party to an arbitration agreement, and any matter to which the agreement applies is required to be determined in connection with, or for the purposes of, the insolvency proceedings, then, if the case is one to which sub-section (*1*) does not apply, any other party to the agreement or the receiver may

apply to the Court having jurisdiction in the insolvency proceedings for an order directing that the matter in question shall be referred to arbitration in accordance with the agreement, and the Court may, if it is of opinion that, having regard to all the circumstances of the case, the matter ought to be determined by arbitration, make an order accordingly.

(3) In this section the expression "receiver" includes an Official Assignee.

Power of Court to appoint arbitrator or umpire.

8. (1) In any of the following cases—

(a) where an arbitration agreement provides that the reference shall be to one or more arbitrators to be appointed by consent of the parties, and all the parties do not, after differences have arisen, concur in the appointment or appointments; or

(b) if any appointed arbitrator or umpire neglects or refuses to act, or is incapable of acting, or dies, and the arbitration agreement does not show that it was intended that the vacancy should not be supplied, and the parties or the arbitrators, as the case may be, do not supply the vacancy; or

(c) where the parties or the arbitrators are required to appoint an umpire and do not appoint him;

any party may serve the other parties or the arbitrators, as the case may be, with a written notice to concur in the appointment or appointments or in supplying the vacancy.

(2) If the appointment is not made within fifteen clear days after the service of the said notice, the Court may, on the application of the party who gave the notice and after giving the other parties an opportunity of being heard, appoint an arbitrator or arbitrators or umpire, as the case may be, who shall have like power to act in the reference and to make an award as if he or they had been appointed by consent of all parties.

Power to party to appoint new arbitrator or, in certain cases, a sole arbitrator.

9. Where an arbitration agreement provides that a reference shall be to two arbitrators, one to be appointed by each party, then, unless a different intention is expressed in the agreement,—

(a) if either of the appointed arbitrators neglects or refuses to act, or is incapable of acting, or dies, the party who appointed him may appoint a new arbitrator in his place;

(b) if one party fails to appoint an arbitrator, either originally or by way of substitution as aforesaid, for fifteen clear days after the service by the other party of a notice in writing to make the appointment, such other party having appointed his arbitrator before giving the notice, the party who has appointed an arbitrator may appoint that arbitrator to act as sole arbitrator in the reference, and his award shall be binding on both parties as if he had been appointed by consent:

Provided that the Court may set aside any appointment as sole arbitrator made under clause (b) and either, on sufficient cause being shown, allow further time to the defaulting party to appoint an arbitrator or pass such other order as it thinks it.

Explanation.—The fact that an arbitrator or umpire, after a request by either party to enter on and proceed with the reference, does not within one month comply with the request may constitute a neglect or refusal to act within the meaning of section 8 and this section.

Provisions as to appointment of three or more arbitrators.

10. (*1*) Where an arbitration agreement provides that a reference shall be to three arbitrators, one to be appointed by each party and the third by the two appointed arbitrators, the agreement shall have effect as if it provided for the appointment of an umpire, and not for the appointment of a third arbitrator, by the two arbitrators appointed by the parties.

(*2*) Where an arbitration agreement provides that a reference shall be to three arbitrators to be appointed otherwise than as mentioned in sub-section (*1*), the award of the majority shall, unless the arbitration agreement otherwise provides, prevail.

(*3*) Where an arbitration agreement provides for the appointment of more arbitrators than three, the award of the majority, or if the arbitrators are equally divided in their opinions, the award of the umpire shall, unless the arbitration agreement otherwise provides, prevail.

Power to Court to remove arbitrators or umpire in certain circumstances.

11. (*1*) The Court may, on the application of any party to a reference, remove an arbitrator or umpire who fails to use all reasonable dispatch in entering on and proceeding with the reference and making an award.

(*2*) The Court may remove an arbitrator or umpire who has misconducted himself or the proceedings.

(*3*) Where an arbitrator or umpire is removed under this section, he shall not be entitled to receive any remuneration in respect of his services.

(*4*) For the purposes of this section the expression "proceeding with the reference" includes, in a case where reference to the umpire becomes necessary, giving notice of that fact to the parties and to the umpire.

Power of Court where arbitrator is removed or his authority revoked.

12. (*1*) Where the Court removes an umpire who has not entered on the reference or one or more arbitrators (not being all the arbitrators), the Court may, on the application of any party to the arbitration agreement, appoint persons to fill the vacancies.

(*2*) Where the authority of an arbitrator or arbitrators or an umpire is revoked by leave of the Court, or where the Court removes an umpire who has entered on the reference or a sole arbitrator or all the arbitrators, the Court may, on the application of any party to the arbitration agreement, either—

(*a*) appoint a person to act as sole arbitrator in the place of the person or persons displaced, or

(*b*) order that the arbitration agreement shall cease to have effect with respect to the difference referred.

(*3*) A person appointed under this section as an arbitrator or umpire shall have the like power to act in the reference and to make an award as if he had been appointed in accordance with the arbitration agreement.

Powers of arbitrator.

13. The arbitrators or umpire shall, unless a different intention is expressed in the agreement, have power to—

(*a*) administer oath to the parties and witnesses appearing;

(*b*) state a special case for the opinion of the Court on any question of law involved, or state the award, wholly or in part, in the form of a special case of such question for the opinion of the Court;

(c) make the award conditional or in the alternative;

(d) correct in an award any clerical mistake or error arising from any accidental slip or omission;

(e) administer to any party to the arbitration such interrogatories as may, in the opinion of the arbitrators or umpire, be necessary.

Award to be signed and filed.

14. (1) When the arbitrators or umpire have made their award, they shall sign it and shall give notice in writing to the parties of the making and signing thereof and of the amount of fees and charges payable in respect of the arbitration and award.

(2) The arbitrators or umpire shall, at the request of any party to the arbitration agreement or any person claiming under such party or if so directed by the Court and upon payment of the fees and charges due in respect of the arbitration and award and of the costs and charges on filing the award, cause the award or a signed copy of it, together with any depositions and documents which may have been taken and proved before them, to be filed in Court, and the Court shall thereupon give notice to the parties of the filing of the award.

(3) Where the arbitrators or umpire state a special case under clause (b) of section 13, the Court, after giving notice to the parties and hearing them, shall pronounce its opinion thereon and such opinion shall be added to, and shall form part of, the award.

Power of Court to modify award

15. The Court may by order modify or correct an award—

(a) where it appears that a part of the award is upon a matter not referred to arbitration and such part can be separated from the other part and does not affect the decision on the matter referred; or

(b) where the award is imperfect in form, or contains any obvious error which can be amended without affecting such decision; or

(c) where the award contains a clerical mistake or an error arising from an accidental slip or omission.

Power to remit award.

16. (1) The Court may from time to time remit the award or any matter referred to arbitration to the arbitrators or umpire for reconsideration upon such terms as it thinks fit—

(a) where the award has left undetermined any of the matter referred to arbitration, or where it determines any matter not referred to arbitration and such matter cannot be separated without affecting the determination of the matters referred; or

(b) where the award is so indefinite as to be incapable of execution; or

(c) where an objection to the legality of the award is apparent upon the face of it.

(2) Where an award is remitted under sub-section (1) the Court shall fix the time within which the arbitrator or umpire shall submit his decision to the Court:

Provided that any time so fixed may be extended by subsequent order of the Court.

(3) An award remitted under sub-section (1) shall become void on the failure of the arbitrator or umpire to reconsider it and submit his decision within the time fixed.

Judgment in terms of award.

17. Where the Court sees no cause to remit the award or any of the matters referred to arbitration for reconsideration or to set aside the award, the Court shall, after the time for making an application to set aside the award has expired, or such application having been made, after refusing it, proceed to pronounce judgment according to the award, and upon the judgment so pronounced a decree shall follow, and no appeal shall lie from such decree except on the ground that it is in excess of, or not otherwise in accordance with, the award.

Power of Court to pass interim orders.

18. (*1*) Notwithstanding anything contained in section 17, at any time after the filing of the award, whether notice of the filing has been served or not, upon being satisfied by affidavit or otherwise that a party has taken or is about to take steps to defeat, delay or obstruct the execution of any decree that may be passed upon the award, or that speedy execution of the award is just and necessary, the Court may pass such interim orders as it deems necessary.

(*2*) Any person against whom such interim orders have been passed may show cause against such orders, and the Court, after hearing the parties, may pass such further orders as it deems necessary and just.

Power to supersede arbitration when award becomes void or is set aside.

19. Where an award has become void under sub-section (*3*) of section 16 or has been set aside, the Court may by order supersede the reference and shall thereupon order that the arbitration agreement shall cease to have effect with respect to the difference referred.

CHAPTER III.

ARBITRATION WITH INTERVENTION OF A COURT WHERE THERE IS NO SUIT PENDING.

Application to file in Court arbitration agreement.

20. (*1*) Where any persons have entered into an arbitration agreement before the institution of any suit with respect to the subject-matter of the agreement or any part of it, and where a difference has arisen to which the agreement applies, they or any of them, instead of proceeding under Chapter II, may apply to a Court having jurisdiction in the matter to which the agreement relates, that the agreement be filed in Court.

(*2*) The application shall be in writing and shall be numbered and registered as a suit between one or more of the parties interested or claiming to be interested as plaintiff or plaintiffs and the remainder as defendant or defendants, if the application has been presented by all the parties, or, if otherwise, between the applicant as plaintiff and the other parties as defendants.

(*3*) On such application being made, the Court shall direct notice thereof to be given to all parties to the agreement other than the applicants, requiring them to show cause within the time specified in the notice why the agreement should not be filed.

(*4*) Where no sufficient cause is shown, the Court shall order the agreement to be filed, and shall make an order of reference to the arbitrator appointed by the parties, whether in the agreement or otherwise, or, where the parties cannot agree upon an arbitrator, to an arbitrator appointed by the Court.

(*5*) Thereafter the arbitration shall proceed in accordance with, and shall be governed by, the other provisions of this Act so far as they can be made applicable.

CHAPTER IV.

ARBITRATION IN SUITS.

Parties to suit may apply for order of reference

21. Where in any suit all the parties interested agree that any matter in difference between them in the suit shall be referred to arbitration, they may at any time before judgment is pronounced apply in writing to the Court for an order of reference.

Appointment of arbitrator.

22. The arbitrator shall be appointed in such manner as may be agreed upon between the parties.

Order of reference.

23. (*1*) The Court shall, by order, refer to the arbitrator the matter in difference which he is required to determine, and shall in the order specify such time as it thinks reasonable for the making of the award.

(*2*) Where a matter is referred to arbitration, the Court shall not, save in the manner and to the extent provided in this Act, deal with such matter in the suit.

Reference to arbitration by some of the parties.

24. Where some only of the parties to a suit apply to have the matters in difference between them referred to arbitration in accordance with, and in the manner provided by, section 21, the Court may, if it thinks fit, so refer such matters to arbitration (provided that the same can be separated from the rest of the subject-matter of the suit) in the manner provided in that section, but the suit shall continue so far as it relates to the parties who have not joined in the said application and to matters not contained in the said reference as if no such application had been made, and an award made in pursuance of such a reference shall be binding only on the parties who have joined in the application.

Provisions applicable to arbitrations under this Chapter.

25. The provisions of the other Chapters shall, so far as they can be made applicable, apply to arbitrations under this Chapter:

Provided that the Court may, in any of the circumstances mentioned in sections 8, 10, 11 and 12, instead of filling up the vacancies or making the appointments, make an order superseding the arbitration and proceed with the suit, and where the Court makes an order superseding the arbitration under section 19, it shall proceed with the suit.

CHAPTER V.

GENERAL.

Application of Chapter.

26. Save as otherwise provided in this Act, the provisions of this Chapter shall apply to all arbitrations.

Power of arbitrators to make an interim award.

27. (*1*) Unless a different intention appears in the arbitration agreement, the arbitrators or umpire may, if they think fit, make an interim award.

(*2*) All references in this Act to an award shall include references to an interim award made under sub-section (*1*).

Power to Court only to enlarge time for making award.

28. (*1*) The Court may, if it thinks fit, whether the time for making the award has expired or not and whether the award has been made or not, enlarge from time to time the time for making the award.

(*2*) Any provision in an arbitration agreement whereby the arbitrators or umpire may, except with the consent of all the parties to the agreement, enlarge the time for making the award, shall be void and of no effect.

Interest on award.

29. Where and in so far as an award is for the payment of money the Court may in the decree order interest, from the date of the decree at such rate as the Court deems reasonable, to be paid on the principal sum as adjudged by the award and confirmed by the decree.

Grounds for setting aside award.

30. An award shall not be set aside except on one or more of the following grounds, namely:—.

(*a*) that an arbitrator or umpire has misconducted himself or the proceedings;

(*b*) that an award has been made after the issue of an order by the Court superseding the arbitration or after arbitration proceedings have become invalid under section 35;

(*c*) that an award has been improperly procured or is otherwise invalid.

Jurisdiction.

31. (*1*) Subject to the provisions of this Act, an award may be filed in any Court having jurisdiction in the matter to which the reference relates.

(*2*) Notwithstanding anything contained in any other law for the time being in force and save as otherwise provided in this Act, all questions regarding the validity, effect or existence of an award or an arbitration agreement between the parties to the agreement or persons claiming under them shall be decided by the Court in which the award under the agreement has been, or may be, filed, and by no other Court.

(*3*) All applications regarding the conduct of arbitration proceedings or otherwise arising out of such proceedings shall be made to the Court where the award has been, or may be, filed, and to no other Court.

(*4*) Notwithstanding anything contained elsewhere in this Act or in any other law for the time being in force, where in any reference any application under this Act has been made in a Court competent to entertain it, that Court alone shall have jurisdiction over the arbitration proceedings and all subsequent applications arising out of that reference and the arbitration proceedings shall be made in that Court and in no other Court.

Bar to suits contesting arbitration agreement or award.

32. Notwithstanding any law for the time being in force, no suit shall lie on any ground whatsoever for a decision upon the existence, effect or validity of an arbitration agreement or award, nor shall any arbitration agreement or award be set aside, amended, modified or in any way affected otherwise than as provided in this Act.

Arbitration agreement or award to be contested by application.

33. Any party to an arbitration agreement or any person claiming under him desiring to challenge the existence or validity of an arbitration agreement or an award or to have the effect of either determined shall apply to the Court and the Court shall decide the question on affidavits:

Provided that where the Court deems it just and expedient, it may set down the application for hearing on other evidence also, and it may pass such orders for discovery and particulars as it may do in a suit.

Power to stay legal proceedings where there is an arbitration agreement.

34. Where any party to an arbitration agreement or any person claiming under him commences any legal proceedings against any other party to the agreement or any person claiming under him in respect of any matter agreed to be referred, any party to such legal proceedings may, at any time before filing a written statement or taking any other steps in the proceedings, apply to the judicial authority before which the proceedings are pending to stay the proceedings; and if satisfied that there is no sufficient reason why the matter should not be referred in accordance with the arbitration agreement and that the applicant was, at the time when the proceedings were commenced, and still remains, ready and willing to do all things necessary to the proper conduct of the arbitration, such authority may make an order staying the proceedings.

Effect of legal proceedings on arbitration.

35. (*1*) No reference nor award shall be rendered invalid by reason only of the commencement of legal proceedings upon the subject-matter of the reference, but when legal proceedings upon the whole of the subject-matter of the reference have been commenced between all the parties to the reference and a notice thereof has been given to the arbitrators or umpire, all further proceedings in a pending reference shall, unless a stay of proceedings is granted under section 34, be invalid.

(*2*) In this section the expression "parties to the reference" includes any persons claiming under any of the parties and litigating under the same title.

Power of Court where arbitration agreement is ordered not to apply to a particular difference, to order that a provision making an award a condition precedent to an action shall not apply to such difference.

36. Where it is provided (whether in the arbitration agreement or otherwise) that an award under an arbitration agreement shall be a condition precedent to the bringing of an action with respect to any matter to which the agreement applies, the Court, if it orders (whether under this Act or any other law) that the agreement shall cease to have effect as regards any particular difference, may further order that the said provision shall also cease to have effect as regards that difference.

Limitations.

37. (*1*) All the provisions of the Indian Limitation Act, 1908, shall apply to arbitrations as they apply to proceedings in Court. IX of 1908.

(*2*) Notwithstanding any term in an arbitration agreement to the effect that no cause of action shall accrue in respect of any matter required by the agreement to be referred until an award is made under the agreement, a cause of action shall, for the purpose of limitation, be deemed to have accrued in respect of any such matter at the time when it would have accrued but for that term in the agreement.

(*3*) For the purposes of this section and of the Indian Limitation Act, 1908, an arbitration shall be deemed to be commenced when one party to the arbitration agreement serves on the other parties thereto a notice requiring the appointment of an arbitrator, or where the arbitration agreement provides that the reference shall be to a person named or designated in the agreement, requiring that the difference be submitted to the person so named or designated.

(*4*) Where the terms of an agreement to refer future differences to arbitration provide that any claims to which the agreement applies shall be barred unless notice to appoint an arbitrator is given or an arbitrator is appointed or some other step to commence arbitration proceedings is taken within a time fixed by the agreement, and a difference arises to which the agreement applies, the Court, if it is of opinion that in the circumstances of the case undue hardship would otherwise be caused, and notwithstanding that the time so fixed has expired, may on such terms, if any, as the justice of the case may require, extend the time for such period as it thinks proper.

(*5*) Where the Court orders that an award be set aside or orders, after the commencement of an arbitration, that the arbitration agreement shall cease to have effect with respect to the difference referred, the period between the commencement of the arbitration and the date of the order of the Court shall be excluded in computing the time prescribed by the Indian Limitation Act, 1908, for the commencement of the proceedings (including arbitration) with respect to the difference referred. IX of 1908.

Disputes as to arbitrator's remuneration or costs.

38. (*1*) If in any case an arbitrator or umpire refuses to deliver his award except on payment of the fees demanded by him, the Court may, on an application in this behalf, order that the arbitrator or umpire shall deliver the award to the applicant on payment into Court by the applicant of the fees demanded, and shall, after such inquiry, if any, as it thinks fit, further order that out of the money so paid into Court there shall be paid to the arbitrator or umpire by way of fees such sum as the Court may consider reasonable and that the balance of the money, if any, shall be refunded to the applicant.

(*2*) An application under sub-section (*1*) may be made by any party to the reference unless the fees demanded have been fixed by written agreement between him and the arbitrator or umpire, and the arbitrator or umpire shall be entitled to appear and be heard on any such application.

(*3*) The Court may make such orders as it thinks fit respecting the costs of an arbitration where any question arises respecting such costs and the award contains no sufficient provision concerning them.

CHAPTER VI.

APPEALS.

Appealable orders.

39. (*1*) An appeal shall lie from the following orders passed under this Act (and from no other) to the Court authorised by law to hear appeals from original decrees of the Court passing the order:—

An order—

(*i*) superseding an arbitration;

(*ii*) on an award stated in the form of a special case;

(*iii*) modifying or correcting an award;

(*iv*) filing or refusing to file an arbitration agreement;

(*vi*) setting aside or refusing to set aside an award:

Provided that the provisions of this section shall not apply to any order passed by a Small Cause Court.

Service of notice by party or arbitrator.

42. Any notice required by this Act to be served otherwise than through the Court by a party to an arbitration agreement or by an arbitrator or umpire shall be served in the manner provided in the arbitration agreement, or if there is no such provision, either—

(a) by delivering it to the person on whom it is to be served, or

(b) by sending it by post in a letter addressed to that person at his usual or last known place of abode or business in British India and registered under Chapter VI of the Indian Post Office Act, 1898. VI of 1898.

Power of Court to issue processes for appearance before arbitrator.

43. (1) The Court shall issue the same processes to the parties and witnesses whom the arbitrator or umpire desires to examine as the Court may issue in suits tried before it.

(2) Persons failing to attend in accordance with such process, or making any other default, or refusing to give their evidence, or guilty of any contempt to the arbitrator or umpire during the investigation of the reference, shall be subject to the like disadvantages, penalties and punishments by order of the Court on the representation of the arbitrator or umpire as they would incur for the like offences in suits tried before the Court.

(3) In this section the expression "processes" includes summonses and commissions for the examination of witnesses and summonses to produce documents.

Application of Act to statutory arbitrations.

46. The provisions of this Act, except sub-section (*1*) of section 6 and sections 7, 12 and 37, shall apply to every arbitration under any other enactment for the time being in force, as if the arbitration were pursuant to an arbitration agreement and as if that other enactment were an arbitration agreement, except in so far as this Act is inconsistent with that other enactment or with any rules made thereunder.

Act to apply to all arbitrations.

47. Subject to the provisions of section 46, and save in so far as is otherwise provided by any law for the time being in force, the provisions of this Act shall apply to all arbitrations and to all proceedings thereunder:

Provided that an arbitration award otherwise obtained may with the consent of all the parties interested be taken into consideration as a compromise or adjustment of a suit by any Court before which the suit is pending.

Saving for pending references.

48. The provisions of this Act shall not apply to any reference pending at the commencement of this Act, to which the law in force immediately before the commencement of this Act shall, notwithstanding any repeal effected by this Act, continue to apply.

The main object of this Bill is to amend the Insurance Act of 1938, as amended by the Insurance (Amendment) Act of 1939, in regard to the more pressing of several matters that have been brought to light in the first six months during which the Insurance Act has been in operation and in regard to which amendment is urgently required in order to remove flaws and administrative difficulties.

2. The principal amendments suggested in this Bill relate to an extension of the definition of "approved securities" designed to assist British Indian Companies to secure reciprocal concessions under section 116; to the clarification of the position in connection with the cancellation of registration certificates of insurers under section 3; to the removal of certain administrative difficulties arising out of the existing form of section 7 in regard to deposits; to the necessity for spreading the expiry dates of agents' licences under section 42 over the whole year; to the prevention of administrative difficulties which may arise unless it is clearly laid down that a Provident Society must be wound up before it can become an insurer under Part II; to provision for notice to be given to the Superintendent of Insurance by the Court in all matters affecting insurers; to provision for the period of one month during which rules under the Act must lie on the Table being spread over more than one session; and to the extension of the range of concessions that may be offered under section 116 in order to assist British Indian Companies to secure reciprocal concessions in other places.

3. Experience has also shown that the duties laid by the Act upon the Superintendent of Insurance personally are too numerous for him to cope with and an amendment is incorporated to enable him to delegate his authority.

4. In addition to the above points, a few defects of a technical nature are also dealt with.

NOTES ON CLAUSES.

Clause 2.—This amendment makes it possible for securities issued by the Governments of Indian States to be recognised as approved securities and is intended to help negotiations, in the interests of British Indian insurers, under section 116.

Clause 3.—The first amendment made by sub-clause (*a*) makes registration applicable to persons before they become insurers in the technical sense by commencing insurance business. The second removes doubts about the validity of policy contracts entered into after the expiry of the period of three months mentioned in section 3(*1*) by certain insurers who failed to obtain a certificate of registration in time either owing to the lateness of their application or because of the heavy congestion of work at the Office of the Superintendent of Insurance. Sub-clause (*b*) is intended to make it clear that Indian State subjects are included in the term "Indian nationals" for the purpose of section 3(*2*)(*e*) and 3(*3*) of the Act. Sub-clause (*c*) expands the list of cases in which the Superintendent of Insurance may cancel registration by specifying certain other circumstances in which an insurer ceases to carry on insurance business. Sub-clause (*e*) supplies detailed provisions covering the consequences of a cancellation of registration, including provision for the revival of registration in some cases and for the winding up of the insurer in others.

Clause 4.—The changes made by sub-clause (*a*) are aimed at rewording section 7(*1*) so as to accord more closely with the conditions actually prevailing and to correct some minor drafting blemishes. Sub-clause (*b*) clarifies sub-section (*7*) so as to make clear the original intention about the disposal of the deposits held immediately prior to 1st July, 1939. Sub-clause (*d*) substitutes more detailed provisions than at present exist regarding the replacement of securities constituting the deposit and for the conversion of these to cash and *vice versa*.

Clause 5.—The object of the change made is to harmonize the date here mentioned with the dates in sub-section (*1*) of section 28.

Clause 6.—The addition made secures that insurers shall furnish the particulars necessary to establish that they have complied with section 27 and reinforces the power of the Superintendent to insist on their doing so by a sanction.

Clause 7.—Sub-clause (*a*) inserts provision for the case in which the transfer is to a person who is not actually an insurer. Sub-clause (*b*) substitutes provisions giving in much clearer terms the actual requirements imposed by sub-section (*3*) of section 35.

Clause 8.—The provision added to section 36 gives a very necessary power to the Court to make orders as to the disposal of deposits when an amalgamation or a transfer is sanctioned.

Clause 9.—The object of the changes made is to secure that the work of renewing the large number of licences which have to be dealt with annually should be distributed throughout the year instead of being concentrated about a single date, *viz.*, 31st March. For this purpose power is taken in the two provisos to "stagger" the dates at which existing licences fall to be renewed in future.

Clause 10.—Sections 65 and 66 of the Act have been recast with the object of clearly distinguishing provident societies from ordinary insurers, and avoiding the possibility that the same body could at one and the same time be subject as a provident society to Part III of the Act, and as an insurer to the other provisions of the Act. Existing section 66 has now in substance been incorporated in sub-section (*1*) and in clause (*b*) of sub-section (*3*) of the new section 65, and in the new section 66 a provident society is debarred from becoming an insurer. Sub-sections (*4*) and (*5*) of new section 65 provide for a definite determination of the question whether a particular body is or is not a provident society for the purposes of Part III of the Act.

Clauses 11 and 12.—The amendments are consequential.

Clause 13.—The amendment brings section 85 into accord with section 29, the corresponding provision relating to insurers.

Clause 14.—The new section inserted by this clause requires the Court to give the Superintendent of Insurance an opportunity of being heard before it passes certain orders.

Clause 15.—The first of the new sections inserted by this clause enables the Superintendent of Insurance to delegate his powers and duties while retaining powers of control and revision. The second provides that documents, *e.g.*, licences, may be signed by a mechanical process.

Clause 16.—The amendments made by sub-clause (*a*) are consequential. That made by sub-clause (*b*) removes a practical difficulty. At present as the proviso to sub-section (*2*) of section 114 is interpreted the rules have to be laid on the table of each House for a month in one single session.

Clause 17.—The amendment made by sub-clause (*a*) extends the scope of the section to foreign countries as well as Indian States, while that made by sub-clause (*b*) widens the extent to which concessions can be made. A proviso has been added making it a condition precedent to the grant of any concession under the section that similar or equal privileges shall be open to British Indian insurers in the country to which the concession is extended.

Clause 18.—The amendments are consequential on the change made in section 7 (*1*)(*d*) of the Act.

Clause 19.—The expression "payable outside India" has been found to be ambiguous in practice. While substituting for it the words "ordinarily paid outside India", a provision has been added to enable doubts, if any, to be set at rest. The other amendments made by the clause are consequential on the change made in section 7(*1*)(*d*) of the Act.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 21st March, 1940:—

L. A. BILL No. 24 OF 1940.

A Bill further to amend the Indian Tariff Act, 1934.

WHEREAS it is expedient further to amend the Indian Tariff Act, 1934, for the purpose hereinafter appearing; XXXII of 1934.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Indian Tariff (Second Amendment) Act, 1940.

Amendment of the First Schedule, Act XXXII of 1934.

2. In the First Schedule to the Indian Tariff Act, 1934,— XXXII of 1934.

(*a*) in Items Nos. 10 (1), 10 (2) and 11 (1), in the last column, for the figure "1940" the figure "1941" shall be substituted;

(b) in Items Nos. 46, 46(1), 47, 47 (1), 48 and 48 (4), in the last column, for the figure "1940" the figure "1942" shall be substituted.

It is hereby declared that it is expedient in the public interest that the provisions of clause 2 of this Bill shall have immediate effect under the Provisional Collection of Taxes Act, 1931. XVI of 1931.

*The Governor General has been pleased to accord the sanction required by sub-section (2) of section 67 of the Government of India Act, as saved from repeal by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936.

STATEMENT OF OBJECTS AND REASONS.

Since the passing of the Indian Tariff (Amendment) Act, 1939 (I of 1939), and the Indian Tariff (Second Amendment) Act, 1939 (XVIII of 1939), the Government of India have maintained a careful watch on the statistical position of wheat and rice and they are satisfied that no change has yet taken place to justify the protective duties on wheat, wheat flour and broken rice being allowed to lapse at the end of March, 1940. The Bill, therefore, proposes to extend the existing import duties on those commodities for a further period of one year *viz.*, up to the 31st March, 1941.

2. The protective duties on silk and certain manufactures of silk were also extended up to the 31st March, 1940, under the Indian Tariff (Second Amendment) Act, 1939 (XVIII of 1939). Thereafter the examination of the Tariff Board's Report regarding the grant of protection to the Sericultural Industry was taken in hand, but owing to war conditions the prices of silk and silk manufactures have advanced sufficiently to satisfy the recommendations of the majority of the Tariff Board and Government find it impossible in the present position of uncertainty to form any decision as to a long term policy. It is therefore proposed to continue the existing protective duties on silk and certain manufactures of silk for a further period of two years under this Bill.

The following Bill was introduced in the Legislative Assembly on the 26th March, 1940:—

L. A. BILL No. 25 OF 1940.

A Bill further to amend the Motor Vehicles Act, 1939.

WHEREAS it is expedient further to amend the Motor Vehicles Act, 1939, for the purpose hereinafter appearing; IV of 1939.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Motor Vehicles (Amendment) Act, 1940.

Amendment of section 48, Act IV of 1939.

2. In section 48 of the Motor Vehicles Act, 1939,— IV of 1939.

(*a*) for clauses (*a*) and (*b*) the following clause shall be substituted, namely:—

"(*a*) limit the number of stage carriages or stage carriages of any specified type for which stage carriage permits may be granted in the region or in any specified area or on any specified route within the region;";

(*b*) clauses (*c*), (*d*) and (*e*) shall be re-lettered as clauses (*b*), (*c*) and (*d*), respectively;

(*c*) in clause (*d*) as so re-lettered, after sub-clause (*ii*) the following sub-clause shall be inserted, namely:—

"(*iia*) that the stage carriage or stage carriages shall be used only on specified routes or in a specified area;".

STATEMENT OF OBJECTS AND REASONS.

Certain differences in the drafting of section 48 and section 56 of the Motor Vehicles Act do not reflect any differences in intention; these have given rise to doubt regarding the interpretation of section 48, which is reproduced below. The Bill seeks to amend that section so as to remove the doubt.

L. A. BILL No. 26 OF 1940.

A Bill to amend the Defence of India Act, 1939.

WHEREAS it is expedient to amend the Defence of India Act, 1939, for the purposes hereinafter appearing ; XXXV of 1939.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Defence of India (Amendment) Act, 1940.

Amendment of section 2, Act XXXV of 1939.

2. In section 2 of the Defence of India Act, 1939 (hereinafter referred to as the said Act),— XXXV of 1939.

*The Governor General has been pleased to give the previous sanction required by section 108(*1*)(*c*), read with section 313(*4*) (*a*) of the Government of India Act, 1935, to the introduction in the Legislative Assembly of this Bill.

STATEMENT OF OBJECTS AND REASONS.

This Bill seeks to make three minor amendments in the Defence of India Act, 1939. Notes on clauses are appended.

ZAFRULLA KHAN.

NEW DELHI ;

The 26th March 1940.

NOTES ON CLAUSES.

Clause 2(a)—The clause amended hereby enables rules to be made for the prevention of *inter alia* the spreading of reports or the prosecution of purposes likely to prejudice His Majesty's relations with foreign powers. The case for extending the scope of the rule-making power in the manner proposed is clear.

Clause 2(b).—As all officers serving in a Chief Commissioner's Province are subordinate to the Central Government, sub-section (*5*) of section 2, as it now stands, has the anomalous and unintended effect of precluding a delegation by the Chief Commissioner to any officer serving in his Province.

Clause 3.—The object of this amendment is to render the benefits of the Indian Soldiers (Litigation) Act, 1925, admissible to members of Indian States Forces while serving in the conditions specified in the section under amendment.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 2nd April 1940 :—

L. A. BILL No. 27 of 1940.

A Bill to amend the Indian Tea Control Act, 1938.

WHEREAS it is expedient to amend the Indian Tea Control Act, 1938, in the manner hereinafter appearing ; it is hereby enacted as follows :— VIII of 1938.

Short title and commencement.

1. (*1*) This Act may be called the Indian Tea Control (Amendment) Act, 19

(*2*) It shall come into force on such date as the Governor-General gives his assent to it.

Amendment of section 14, Act VIII of 1938.

2. For sub-section (*1*) of section 14 of the Indian Tea Control Act, 1938, the following shall be substituted, namely :— VIII of 1938.

"14(*1*). Any tea estate or any subdivision of a tea estate to which an export quota was allotted under the Indian Tea Control Act, 1933, and any tea estate which the Central Government may within one year from the commencement of this Amendment Act authorise to apply for the allotment of an export quota under this Act, shall on application made to the Committee for the allotment of an export quota have the right, subject to the provisions of this Act, to receive an export quota. XXIV of 1933.

(*2*) All applications for authorisation under this section shall reach the Central Government within six months of the commencement of this Amendment Act.

(*3*) The owner of a tea estate praying for authorisation within the prescribed time limit, in whose case an export quota has been rejected on technical or other grounds shall have a right to appeal to the Central Government who shall have the power to reconsider the matter."

STATEMENT OF OBJECTS AND REASONS.

Second part of the section 14(*1*) of the Indian Tea Control Act, 1938, runs thus—'any Tea Estate which the Central Government may within one year from the commencement of this Act authorise to apply for the allotment of export quota under this Act.....' etc.

This Tea Control Act came into force on 31st March, 1938 and the prescribed time limit of one year as provided for in section 14(*1*) of the Act was over on the 31st March, 1939. Many tea estates in India have been allotted the export right under section 14(*1*), after the Act came into force, and they have all been producing tea by now. Many estates in Madras, Hill Tipperah, Surma-Valley and in Chittagong division on the other hand are not being able to produce any tea as the Central Government refused permission in some cases and as the prescribed time limit was over before the Central Government could authorise in many other cases. Many of these tea estates could have produced tea for the export market if their claims were favourably considered by the Government.

The language of section 14(*1*) of the Tea Control Act is rather vague. There is no specific direction as to the time limit within which the Central Government was to be moved for the necessary authorisation, as a result of which, many tea estates made their applications for authorisation only a month or two before 31st March, 1939, and the time limit was over before the permission could be granted to these tea estates. We maintain, therefore, that the vagueness of the language of section 14(*1*) is responsible for depriving these tea estates from their due share of the export quota.

The section has not provided for any reconsideration by the Central Government in cases of estates not getting the necessary authorisation. Wrong reports from Inspectors or other technical grounds have deprived many estates from getting the necessary permission. Provisions ought to have been made in the Act for reconsideration by the Government in such cases. So there is necessity for this Amendment Bill.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 5th April 1940.

Third Forecast of the Wheat Crop of Bengal, 1939-40.

(*Note.*—On an average of the five years ending 1937-38, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on, has, in the five years ending 1937-38, averaged (*a*) 42·7 and (*b*) 8·8 per cent. respectively.)

Character of the season.—As reported in the second forecast the effects of weather on the crop continued to be unfavourable particularly in the main wheat growing districts of Nadia, Murshidabad and Malda. Some damage was also caused by hailstorm and heavy showers in Malda.

Acreage.—According to the estimates of the District Officers, the total area sown comes to 177,000 acres this year as against 174,000 acres both in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 74 per cent. as against 73 and 72 per cents., respectively, in the corresponding and final forecasts of last year.

Taking the normal yield to be 9 3/5 maunds per acre, the gross yield of the crop for the province is estimated at 46,200 tons as against 44,800 tons and 43,800 tons, respectively, in the corresponding and final forecasts of last year.
